to Give to the Max!

Double Match!

All Donations made to the Hastings Public Schools Foundation on November 16, 2011 will be **Double Matched** thanks to generous donations from the HPSF Board of Directors. That means your \$10 donation will be worth \$30, your \$50 donation will be worth \$150, and so on. All you have to do is go to the Foundation's website, www.hastingspsf.org and click on "Donate Now." If you prefer, you can also go to the Give to the Max Day website, www.givemn.org and, in the Fundraise box replace the words "search for a cause" with "Hastings Public Schools Foundation," then click on "Donate Now." With your dollars, we will continue to fund innovative projects and programs for our District 200 students. **Thank you!**

2003 Levy Renewed!

Thank you to the community for renewing the levy of 2003. The levy generates \$3.8 million dollars annually to the Hastings School District. Without these dollars class sizes would increase dramatically and elective programs would be eliminated. The community understood that levy dollars are providing "financial stability" for our school district and all school districts across the State of Minnesota. Thank you for listening and for your vote of confidence in our system.

Is School Closed?

What is the best way to find out if schools in the district are opening on time, are delayed or are closed together.

#1. Visit our website:

www.hastings.k12.mn.us

This is the first place we post any changes to our schedule due to inclement weather. Because we have direct control over our own website it is the very first place that any changes in the school schedule will be posted. **Changes to the school schedule will appear on our website before they appear on any other television or radio station.**

2. All four of the Major Network Television Channels—4,5,9,11 will scroll closings or delays in our school schedule.
3. KDWA Radio, 1460 will broadcast school closings or delays.
