

# Kindergarten Program Request Form 2012-2013

A program request form is **required** to enroll your child in Kindergarten. You must select one of the two Kindergarten Program Options outlined below. Please place a checkmark next to the program option that you are selecting for your Kindergarten Student. Please note your registration will not be processed without a **birth certificate and deposit** (*if requesting all day kindergarten*). If you have received this mailing and your child will **NOT** be attending kindergarten in the fall of 2012, please contact Cathy Blaha at 480-7013.

**Program Option One All Day Every Day Kindergarten**

This program is an optional, fee based, extended day program that offers a full day of school for students each day. The same licensed kindergarten teacher instructs the student for the entire day.

- The state does not fund the additional half day of this optional program. Therefore, participating families pay \$2,000 per year. A \$300.00 deposit is required **at the time of registration**; the remaining payments are divided out equally in 9 monthly payments.
- Pay by August 1<sup>st</sup> (*by cash or check*) and receive a 5% discount.
- Fee Assistance: Limited financial assistance based on Federal Free/Reduced Lunch Guidelines, is available for this program. If you wish to apply for fee assistance, you must complete the Application for Fee Assistance and submit a \$100.00 deposit.

**Program Option Two A/B Alternating Day Kindergarten**

Varying enrollment numbers in the A-Day and B-Day program MAY restrict parent choice for a preference in the day their child attends school. It is possible that there will be just an A-Day program or both A and B-Day programs.

Important Note: Friday's will be divided **equally** between the A Day and B Day Schedule  
There is no fee to families for this rotating, every other day kindergarten program option.
